LANGUAGE

Bengali (Native or bilingual proficiency)
English (Professional working proficiency)
Hindi (Limited working proficiency)

I am an enthusiastic B.Tech IT undergraduate with a solid foundation in HTML, CSS, Javascript, and JAVA programming languages. Passionate about solving complex problems, I have hands-on experience in web development and software engineering. A quick learner and effective team player, I am eager to apply my skills to real-world projects. Involved in tech clubs and coding competitions, I seek opportunities to develop my expertise further and make a meaningful impact in the tech industry.
